

Lab 5: Bibliography and Citations in L^AT_EX

Mohammad Ishrak Abedin
Samnun Azfar

March 24, 2026

Contents

1	Single and Multi Citations	1
2	Text, Parent and Foot Cites	1
2.1	TextCite	1
2.2	ParentCite	1
2.3	FootCite	1
	These are the References	2

1 Single and Multi Citations

Backpropagation is very nice and useful and attention is all you need[2, 1].
Backpropagation is very nice and useful[1].

2 Text, Parent and Foot Cites

2.1 TextCite

So LeCun et al. [1] has made efficient Backpropagation.

2.2 ParentCite

So [1] has made efficient Backpropagation.

2.3 FootCite

So this paper has made efficient Backpropagation¹.

¹1.
